

In the specification

Please insert the following paragraph immediately proceeding the last full paragraph of page 4 of the application as filed (i.e., paragraph 0028 of the published application):

Clips 34C, 34D, and 34E of Figures 5-12 provide a first planar side and a second planar side with an outer edge. The clip therefore resides in a single plane with the substantially flat, planar body of clips 34C, 34D, and 34E being of the thickness provided above.
